

***Gravesiana*: Call for Papers**

To correspond with the fiftieth anniversary of the publication of *The White Goddess* and the planned commemorative conference, we are planning a special issue of *Gravesiana* which is to feature articles on *The White Goddess*.

Specifically, we are interested in receiving articles which discuss the influence of Graves' goddess on his own poetry as well as that of his contemporaries.

Please send your contributions to Ian Firla/Patrick Quinn before January 31, 1998. Papers received after this date will not be considered. Please see facing page for complete submission details.
